

DH/2935

Dear Parent/Guardian,

Groundwork Hertfordshire is supporting the Welwyn/Hatfield Youth Council to organise a fun filled away day on Thursday 30 August for Young Carers. The event will provide an opportunity for the Youth Council and Young Carers to spend a day taking part in a range of activities including sports, art, dance, workshops and watching a movie. The event is completely free and lunch plus snacks will be provided throughout the day.

If you would like your child to attend on the day please complete the following parent consent and media consent form attached and return to Jackie Graham at Carers in Herts.

Details are as follows:

Location:

Sir Frederic Osborn School Sports Centre,
Herns Lane, Welwyn Garden City, Herts. AL7 2AF

Times: 10am – 5pm

Transport: There will be two pick up and drop of points on the day (times to be confirmed).

1. In front of John Lewis in Welwyn Garden City
2. The bus stop opposite Link Drive in Hatfield

If you would like your child to be transported from one of these locations please specify as such on the consent form under the transport section.

We ask that all those attending on the day wear appropriate clothing for the weather and for taking part in activities such as sport and art. Things might get a little messy so don't wear anything new. Everything provided on the day is free so the young people will not need to bring any money.

If you have any questions or would like to discuss the day in more detail please don't hesitate to call.

Yours Faithfully,

Diana Hedley
Youth Manager
